Additional fees apply for dining plans, the period between spring and summer (for spring residents), the period between summer and autumn (for students selecting summer-autumn interim housing), mail and package fees, house dues/program fees, and the technology fee.
- A dining meal plan is required for all undergraduate summer housing options except for Mirrielees.
- If you are leaving choices unranked and you indicate through your final choice that you are willing to live anywhere (required to retain your guarantee), you should be equally happy to live in any of those unranked choices. If not, you should rank them on your application.
